PROCLAMATIONS

[L.S.] GORDON McG. SLOAN,
Administrator.

CANADA:

PROVINCE OF BRITISH COLUMBIA

ELIZABETH THE SECOND, by the Grace of God, of the United Kingdom, Canada and Her other Realms and Territories, QUEEN, Head of the Commonwealth, Defender of the Faith.

To all to whom these presents shall come—
GREETING.

A PROCLAMATION

R. W. BONNER, *Attorney-General.* { WHEREAS on the second day of August, 1858, the Parliament of the United Kingdom of Great Britain and Ireland passed an Act intituled "An Act to provide for the Government of British Columbia," which, *inter alia*, provided that British Columbia shall, for the purposes of this Act, be held to comprise all such territories within the Dominions of Her Majesty as are bounded to the south by the frontier of the United States of America, to the east by the main chain of the Rocky Mountains, to the north by Simpson's River and the Finlay Branch of the Peace River,

and to the west by the Pacific Ocean, and shall include Queen Charlotte's Island, and all other islands adjacent to the said territories, but excepting "the Colony of Vancouver's Island, as at present established":

And whereas the said Act foreshadowed the ultimate union of all British possessions west of the Rocky Mountains:

And whereas the original Colony of British Columbia was inaugurated with due ceremony on the nineteenth day of November, 1858:

And whereas the Legislative Assembly has seen fit to enact the "Centennial Celebration Act" to make provision for the appropriate celebration of the centenary of the aforesaid events:

And whereas it is considered to be and is deemed right and proper that the citizens of British Columbia should be afforded the opportunity humbly to render thanks to Almighty God for the generous gifts of nature and for the blessings of peace and prosperity with which this Province has been so richly endowed and to combine in simultaneous prayer for the continuation of such blessings:

And whereas We have thought fit, by and with the advice of Our Executive Council of Our said Province, to recommend that Sunday, the twenty-seventh day of April, 1958, be designated and be observed in British Columbia as a day of thanksgiving and prayer to Almighty God; and that all religious denominations in British Columbia be urged and encouraged to recognize Sunday, the twenty-seventh day of April, 1958, as a day when their congregations may be afforded the opportunity of communal and united acknowledgment of the blessings of nature, of peace, and of prosperity with which this Province has been so abundantly endowed:

NOW KNOW YE that We do issue this Our Royal Proclamation to that effect, and that this Proclamation may be read in all places of worship in British Columbia on the twenty-seventh day of April, 1958.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, the Honourable GORDON MCG. SLOAN, Administrator of Our said Province of British Columbia, in Our City of Victoria, in Our said Province this thirty-first day of July, in the year of our Lord one thousand nine hundred and fifty-seven, and in the sixth year of Our Reign.

By Command.

W. D. BLACK,
Provincial Secretary.

DEPARTMENT OF THE ATTORNEY-GENERAL

"LAND ACT"

WHEREAS Order in Council No. 465, approved February 26th, 1952, recited that Her Majesty proposed to grant to Trans Mountain Oil Pipe Line Company certain easements or rights-of-way over Crown lands for the purpose of constructing and operating a pipe-line in connection with its undertaking:

And that the said Order in Council provided for certain regulations in general terms relating thereto pursuant to the provisions of subsection (2) of section 257 of the "Land Registry Act," being chapter 171 of the "Revised Statutes of British Columbia, 1948":

And that it is now deemed advisable to set forth certain regulations in more specific terms pursuant to the provisions of the said subsection (2) of section 257 of the said "Land Registry Act" and all other powers thereunto enabling:

And that it is now proposed, pursuant to the provisions of the "Land Act," being chapter 175 of the "Revised Statutes of British Columbia, 1948," and amendments thereto, to grant to the said Trans Mountain Oil Pipe Line Company, a company incorporated by special Act of the Parliament of Canada (hereinafter referred to as "the Company"), certain easements or rights-of-way

over Crown lands for the purpose of constructing and operating a pipe-line in connection with the Company's undertaking:

And that the Company submits that it would be expedient and in the best interests of all concerned if the title conferred by the proposed Crown grants could be registered pursuant to the provisions of the said "Land Registry Act":

And that the said "Land Registry Act" makes provision for the registration of such estates only where the title of Her Majesty to such lands appears in the register, and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations authorizing and governing the registration of such estates pursuant to the provisions of the said subsection (2) of section 257 of the said "Land Registry Act":

And that in certain areas of the Province the Crown grants of such easements or rights-of-way will be issued on the basis of a preliminary or interim plan of the easements or rights-of-way, based upon the plans prepared by the Company for the Board of Transport Commissioners, showing a maximum width of eighteen hundred feet in order to provide for sufficient width to determine the actual dimensions of the easements or rights-of-way when the pipe-line is finally constructed, and that it is the intention of the Company that the actual width of the easements or rights-of-way when finally constructed shall, except in special cases, be reduced to sixty feet, and that for these reasons it is expedient to prescribe regulations governing the preliminary and final surveys of the easements or rights-of-way:

Therefore, His Honour the Lieutenant-Governor in Council has been pleased to order that, pursuant to the provisions of the said "Land Act," and the said "Land Registry Act," and all other powers thereunto enabling, the following regulations be made:—

1. Where the Crown grants in favour of the Company an easement or right-of-way over Crown land, the Crown grant shall be transmitted to the proper Land Registry Office, and upon receipt of the said Crown grant the Registrar shall enter Her Majesty in the register as the owner of the land described in the said Crown grant. Upon application being made for registration of the Company's title to the easement or right-of-way with respect to such land, and upon compliance with the provisions of the said "Land Act" and the said "Land Registry Act," and of these regulations in so far as they are applicable, the Registrar shall register the title to such easement or right-of-way by endorsing a memorandum thereof on the register; provided that the boundaries of the land described in the said Crown grant and in the register shall be subject to amendment at a later date to conform with the boundaries as defined by the final plan provided for in Regulation 4 and in accordance with the procedure prescribed under Regulation 5.

2. On completion of construction of the pipe-line the easement or right-of-way shall be reduced and surveyed to a total width of sixty feet, except where a greater width is deemed necessary, and subject to the approval of the Surveyor-General.

3. Where the final location of the pipe-line is determined before construction, the final survey may be made before construction, except for posting, but such posting shall be carried out within eighteen months after the completion of construction of the pipe-line.

4. Within eighteen months after completion of construction of the pipe-line the Company shall prepare a final plan of the easement or right-of-way, based upon a survey in accordance with the provisions of the "Land Registry Act" and the regulations which the Surveyor-General has issued or may issue, and shall deposit such copies of the plan with the Surveyor-General as he requires. The Surveyor-General shall, after approval, transmit the necessary number of copies of the plan to the proper Land Registry Office for deposit.

5. Where the final plan has been deposited in the proper Land Registry Office, the Registrar shall amend the register which shows the title of Her Majesty to the land which is subject to the Company's easement or right-of-way and the interest of the Company therein by striking out the description

of the land therein and substituting therefor the description of the land according to the final plan, and shall endorse a note of the Order in Council on the register; the latter description shall limit and govern the boundaries of the right-of-way and shall relate back to and have the same force and effect as if that description were contained in the original Crown grant of the right-of-way and registered in the register.

And that the said Order in Council No. 465/52 be deemed to be amended accordingly.

And that a certified copy of this Minute be forwarded to the Deputy Minister of Lands, Parliament Buildings, Victoria, B.C.; the Superintendent of Lands, Parliament Buildings, Victoria, B.C.; the Registrars of the Kamloops and New Westminster Land Registry Offices; and the Inspector of Legal Offices, Court-house, Victoria, B.C.

REGULATIONS RESPECTING CARE FUND OF FOREST
LAWN CEMETERY COMPANY

1. In these regulations, unless the context otherwise requires:—

"Company" means Forest Lawn Cemetery Company;

"The Care Fund" means the fund set up by the Company for the care and maintenance of property in the cemetery grounds of the Company and administered in accordance with these regulations and the regulations made under Order in Council No. 1277/56;

"Commission" means the Public Utilities Commission.

2. The regulations approved under the "Cemeteries Act" on the twenty-eighth day of May, 1956, by Order in Council No. 1277 of that year, apply to the Company except where inconsistent with these regulations.

3. The Company shall set aside in the Care Fund, from the purchase price of each lot or plot purchased from the Company, twenty-five per centum of such purchase price or a sum equal to the product of thirty-five cents multiplied by the number of square feet contained in the lot or plot purchased, whichever is the greater.

4. There may be established by the Company a separate trust account:—

(a) Into which may be paid all amounts required to be set aside in the Care Fund out of instalments of purchase price of lots and plots; and

(b) The amount of which shall be deemed a part of the Care Fund; and

(c) Any proportion of which may be kept in trust in liquid form rather than in securities as required by the regulations referred to in Regulation 2 hereof.

5. (1) When the purchase price of a lot or plot is payable in instalments, not less than twenty-five per centum of the initial payment and of each instalment shall be set aside within thirty days of the receipt of the initial payment or instalment in the separate trust account established under Regulation 4 or in the Care Fund, so that the total amount required by Regulation 3 hereof shall be fully set aside within thirty days after receipt by the Company of the full purchase price of the lot or plot.

(2) Not later than thirty days after the total amount required by Regulation 3 hereof to be set

aside with respect to the sale of a lot or plot has been fully set aside under clause (1) the Company shall transfer to the Care Fund any portion thereof remaining in the separate trust account.

(3) When the purchase price of a lot or plot is payable in instalments and the sale of the lot or plot is cancelled before the full purchase price thereof is paid, the amount or amounts paid into the separate trust account under this regulation may, at the option of the Company, be returned to the purchaser upon application to the Trustee by the Company with prior notice to the Commission.

6. Nothing herein contained shall prevent payments to the Care Fund from sources other than the sale of lots or plots.

7. Care and maintenance which is or is to be paid for out of the income of the Care Fund shall be carried out by the Company or its agent at cost, provided that the Company is not hereby prevented from having such care and maintenance carried out under a contract entered into by the Company, if the contract is one which the Company might enter as a trustee and is not inconsistent with the "Cemeteries Act" or any regulations made thereunder.

8. No part of the Care Fund shall be invested in securities of any company whose principal business is the ownership or operation of a cemetery, mausoleum, columbarium, or crematorium or the provision of services therefor, and no part shall be lent to any director or officer of Forest Lawn Cemetery Company or invested in securities of any company in which Forest Lawn Cemetery Company and its directors and officers have an interest in excess of twenty-five per centum of the shares. Where any part is now so invested, the investment shall be disposed of not later than the thirty-first day of December, 1960, and the proceeds reinvested in permissible securities. Forest Lawn Cemetery Company shall, upon any request of the Trustee, furnish the Trustee with a statement showing the names of the Company's directors and officers and whether the Company and its directors and officers have an interest in excess of twenty-five per centum of the shares of any company in which investment of Care Fund moneys is contemplated, and the Trustee may rely on such statement.

9. Investments which are permissible but are not in accordance with the "Trustee Act" shall not exceed one-third of the Care Fund, calculated on the basis of initial cost of all investments. If this amount is presently exceeded, sale of such investments to bring their amount down to the specified level is not required, but no more such investments may be made while the level permitted by this regulation is exceeded.

10. A portion of the earnings of the Care Fund each year, for a twenty-year period commencing with the year 1957, and for such further periods as the Commission may from time to time prescribe, amounting to the greater of:—

(a) One-half of one per centum of the book value of the Care Fund as at the end of the year; or

(b) The excess of the income of the Care Fund over the cost of care and maintenance for the year,

shall be left in the hands of the Trustee to be invested in the same way as the Care Fund and to be used with the interest thereon, with the permission of the Commission, after the cemetery is filled, to meet inflationary increases in cost of maintenance, excessive damages resulting from unfavourable weather, change in interest rates, or other contingencies that are difficult to plan for, and eventually to be used for perpetual care and maintenance in harmony with regional planning for the area in which the cemetery is located.

11. An application shall be made by Forest Lawn Cemetery Company to the Supreme Court of British Columbia not later than the first day of April, 1958, for passing the Care Fund accounts as at the thirty-first day of December, 1957, and notice of such application shall be given to the Attorney-General and to the Public Utilities Com-

mission. Accounts shall thereafter be passed no less frequently than every five years.

12. These regulations shall come into operation upon the date of their approval by the Lieutenant-Governor in Council.

4. There may be established by the Company a separate trust account:—

(a) Into which may be paid all amounts required to be set aside in the Care Fund out of instalments of purchase price of crypts; and

(b) The amount of which shall be deemed a part of the Care Fund; and

(c) Any proportion of which may be kept in trust in liquid form rather than in securities as required by the regulations referred to in regulation 2 hereof.

5. (1) When the purchase price of a crypt is payable in instalments, not less than ten per centum of the initial payment and of each instalment shall be set aside within thirty days of the receipt of the initial payment or instalment in the separate trust account established under Regulation 4 or in the Care Fund, so that the total amount required by Regulation 3 hereof shall be fully set aside within thirty days after receipt by the Company of the full purchase price of the crypt.

(2) Not later than thirty days after the total amount required by Regulation 3 hereof to be set aside with respect to the sale of a crypt has been fully set aside under clause (1) the Company shall transfer to the Care Fund any portion thereof remaining in the separate trust account.

4. The Company shall, in respect of each lot or plot sold or agreed to be sold before the first day of August, 1956, set aside in the Care Fund three twenty-thirds ($\frac{3}{23}$) of the purchase price of the lot or plot or such larger sum as the Company has undertaken to set aside for care and maintenance and, subject to Regulation 8, shall complete the payments into the Care Fund on or before the thirty-first day of August, 1957.

5. 6. (1) In respect of sales of lots and plots made after the Care Fund has increased to a sum of not less than ten thousand dollars per acre as specified in Regulation 16, the Company shall set aside from the gross purchase price of each lot or plot

7. There may be established by the Company a separate trust account:—

- (a) Into which may be paid all amounts required to be set aside in the Care Fund out of instalments of purchase price of lots and plots; and

- (c) Any proportion of which may be kept in trust in liquid form rather than in securities as required by the regulations referred to in Regulation 2 hereof.

8. With respect to sales of lots and plots made on or before the thirty-first day of August, 1957, and in respect of which the purchase price is payable in instalments, and has not then been paid in full:—

- (a) If fifty per centum of the gross purchase price of the lot or plot has been paid, not less than fifty per centum of each instalment paid thereafter shall be set aside, within thirty days of the receipt of the instalment, in the separate trust account established under Regulation 7 or in the Care Fund, so that the total amount required by Regulation 4 or by clause (1) of Regulation 5 hereof to be set aside in the Care Fund shall be fully set aside within thirty days after receipt by the Company of the full purchase price of the lot or plot and in any event not later than the thirty-first day of August, 1960; or
- (b) If less than fifty per centum of the gross purchase price of the lot or plot has been paid, not less than fifty per centum of each instalment paid after fifty per centum of the gross purchase price has been paid shall be set aside, within thirty days of the receipt of the instalment, in the separate trust account established under Regulation 7 or in the Care Fund, so that the total amount required by Regulation 4 or by clause (1) of Regulation 5 hereof, to be set aside in the Care Fund, shall be fully set aside within thirty days after receipt by the Company of the full purchase price of the lot or plot and in any event not later than the thirty-first day of August, 1960.

9. With respect to sales of lots and plots made after the thirty-first day of August, 1957, and in respect of which the purchase price is payable in instalments, not less than fifty per centum of each instalment paid after fifty per centum of the gross purchase price has been paid shall be set aside, within thirty days of the receipt of the instalment, in the separate trust account established under Regulation 7 or in the Care Fund, until the total amount required by the relevant provision of Regulations 5 and 6 hereof to be set aside in the Care Fund is fully set aside, and so that such total amount shall in any event be fully set aside within three years of the date of payment of the initial instalment, provided that if any such sale is made at a time when the Care Fund amounts to a sum of less than ten thousand dollars per acre as specified in Regulation 16 and at a time when a bond as required by Regulation 5 hereof is not deposited with the Company and in full force and effect, or if any such sale is made at a time when such a bond is so deposited and in full force and effect, but subsequently and before fifty per centum of the

gross purchase price is paid the bond ceases to be so deposited or in full force or effect, then commencing with the initial instalment or with the first instalment paid after the lapse of effectiveness of the bond, as the case may be, an amount from each instalment proportionate to the total amount to be set aside in the Care Fund as required by the appropriate provision of Regulation 5 shall be set aside, within thirty days of the receipt of the instalment, in the separate trust account established under Regulation 4 or in the Care Fund, so that the total amount required by the relevant provision of Regulation 5 shall be fully set aside within three years of the date of payment of the initial instalment.

10. On any instalment sale, if the total amount required to be set aside in the Care Fund is not fully set aside within three years or on or before the thirty-first day of August, 1960, as the case may be, in the manner hereinbefore provided, it shall be made up out of any of the funds which the Company has received from the sale of the lot or plot which have not already been paid into the Care Fund.

11. (1) Not later than thirty days after the total amount required by these regulations to be set aside in the separate trust account or the Care Fund with respect to the sale of a lot or plot has been set aside, the Company shall transfer to the Care Fund any portion thereof remaining in the separate trust account.

(2) When the purchase price of a lot or plot is payable in instalments and the sale of the lot or plot is cancelled before the full purchase price thereof is paid, the amount or amounts paid into the separate trust account under these regulations may, at the option of the Company, be returned to the purchaser upon application to the Trustee by the Company with prior notice to the Commission.

12. Nothing herein contained shall prevent payments to the Care Fund from sources other than the sale of lots or plots.

13. Care and maintenance which is or is to be paid for out of the income of the Care Fund shall be carried out by the Company or its agent at cost, provided that the Company is not hereby prevented from having such care and maintenance carried out under a contract entered into by the Company if the contract is one which the Company might enter as a trustee and is not inconsistent with the "Cemeteries Act" or any regulations made thereunder.

14. No part of the Care Fund shall be invested in securities of any company whose principal business is the ownership or operation of a cemetery, mausoleum, columbarium, or crematorium or the provision of services therefor, and no part shall be lent to any director or officer of Valley View Memorial Gardens Limited or invested in securities of any company in which Valley View Memorial Gardens Limited and its directors and officers have interest in excess of twenty-five per centum of the shares. Valley View Memorial Gardens Limited shall, upon any request of the Trustee, furnish the Trustee with a statement showing the names of the Company's directors and officers and whether the Company and its directors and officers have an interest in excess of twenty-five per centum of the shares of any company in which investment of Care Fund moneys is contemplated, and the Trustee may rely on such statement.

If this amount is presently exceeded, sale of such investments to bring their amount down to the specified level is not required, but no more such investments may be made while the level permitted by this regulation is exceeded.

16. The income from the Care Fund each year shall be added to and invested as part of the Fund until the Fund reaches an amount equal to ten thousand dollars per acre of all cemetery property (less acreage in clearly defined sections where sales may not commence without authorization of the

Commission). Until that time adequate care and maintenance shall be provided by the Company out of its portion of receipts from lot sales.

17. When the income becomes available for care and maintenance of the cemetery or the part of the cemetery to which it applies a portion of the earnings of the Care Fund each year for a twenty-year period commencing with the year 1957, and for such further periods as the Commission may from time to time prescribe, amounting to the greater of:—

(a) One-half of one per centum of the book value of the Care Fund as at the end of the year; or

(b) The amount by which the income of the Care Fund exceeds the cost of care and maintenance for that year,

shall be left in the hands of the Trustee to be invested in the same way as the Care Fund and to be used, with the interest thereon, with the permission of the Commission after the cemetery is filled, to meet inflationary increases in cost of maintenance, excessive damages resulting from unfavourable weather, change in interest rates, or other contingencies that are difficult to plan for, and eventually to be used for perpetual care and maintenance in harmony with regional planning for the area in which the cemetery is located.
